I wonder if we could get that food truck behind B of A moved? Is he still using the same old bathroom letter? (Or, did the City / County remove the bathroom letter requirement?) I'd like you to go by the truck on the next day it's present and ask them if they have a bathroom letter. If so, ask to see it. Please note who signed it, the date, the address of the person who signed the letter, and any contact information. Does that make sense?

Thanks Steve.
